##### 7.1.1 BUILDING, PLANNING AND ENVIRONMENTAL HEALTH OFFICER'S REPORT JANUARY 2024

**Prepared by: Shire of East Pilbara**  
**On Date: 8 February 2024**

In accordance with the shared services agreement, this report provides a summary of building, planning and environmental health matters for January 2024. This includes all activities, the progress of ongoing situations and concerns related to the required services raised by the Shire of East Pilbara.

##### **Building**

We have received one (1) Demolition Permit Application which is currently being assessed. We have had a several telephone enquiries and emails requiring information in regard to the Building Act 2011 and the Building Regulations 2012, Building Services Levy as well as the usual building applications including providing advice for swimming pool safety barrier requirements and inspections.

##### **Planning**

Planning information and advice was provided to the Shire of Meekatharra during January. This included providing the Shire of Meekatharra with suggested planning conditions for a proposed subdivision on Oliver Street.

Advice was provided to a customer regarding a proposed mobile workers accommodation camp, approximately 25kms from the Meekatharra townsite. A development application for a

proposed shed at 22 McCleary Street has recently been received and is currently under assessment.

### **Environmental Health**

The EHO attended the Shire of Meekatharra for a two night visit between Monday 15 and Wednesday 17<sup>th</sup> January 2024. During this visit –

- A number of follow-up inspections were conducted at food businesses in Meekatharra.
- The town creek was inspected for the presence of mosquito larvae. None were observed.
- Conducted a follow up on the wastewater treatment system at 1/88 Hill St Meekatharra. The wastewater treatment unit has been getting pumped out on a regular basis to prevent the treated wastewater being disposed of via the damaged irrigation network. The tenants advised they would be relocating to another dwelling in Meekatharra in the weeks following the site visit.
- The wastewater component of the development application for Shire housing at 135 Darlot St was assessed in terms of the requirements of the Government Sewerage Policy.
- The Meekatharra Caravan Park was provided with a list of items to display on the site plan of the caravan park to demonstrate compliance with the *Caravan Park and Camping Grounds Regulations 1997*.
- An inspection was conducted at Bluebird Mine Village for the purposes of a section 39 application to extend the outdoor licensed area adjacent the wet mess.

Remote assistance was provided on other Health matters during January –

- Query on food business requirements for commercial egg production at Karalundi College farm.
- Further investigated the requirements under Health and Building standards for the provision of toilets at the BP Truck stop, Connaughton St, Meekatharra.
- Ongoing assessment of wastewater disposal proposal for 135 Darlot St Meekatharra.
- A complaint was received about the condition of a dwelling in Consols Rd Meekatharra.
- Reviewed quarterly maintenance reports for wastewater treatment units at Department of Housing properties in Meekatharra and Yugunga-Nya Peoples Trust.
- Complaint received and advice provided regarding burning of rubbish in a backyard on Oliver St Meekatharra.
- Wastewater application received for Road Construction Camp approx. 25kms north of Meekatharra.
- Query received about starting a food business at Meekatharra Airport.
- Wastewater query received for 19 McCleary St Meekatharra.
