##### **7.1.1 BUILDING, PLANNING AND ENVIRONMENTAL HEALTH OFFICER'S REPORT JUNE 2024**

**Prepared by: Shire of East Pilbara**

**On Date: 9 August 2024**

In accordance with the shared services agreement, this report provides a summary of building, planning and environmental health matters for July 2024. This includes all activities, the progress of ongoing situations and concerns related to the required services raised by the Shire of East Pilbara.

##### **Building**

We have had only one (1) Building Permit Application for the Shire of Meekatharra for the month of July. The application is for a Carport owned by the Shire. We have requested further information in regard to Stormwater management, once the information was received we were able to issue the Building Permit in a timely manner. We have had no other building enquiries this month.

##### **Planning**

Planning input and advice was provided on the 135 Darlot Street development application approval as well as the proposed Westgold remote camp. Advice was also provided to a customer and the Shire regarding a proposed food truck at 65 Main Street, Meekatharra.

### **Environmental Health**

- The dysfunctional wastewater disposal system servicing the Hill St Pensioner Units was repaired by the original installer following the house fire at the complex. Following installation there may have been an overflow of wastewater potentially due to the power being switched off to the ATU. This was rectified by Department of Communities.
- Health, Building and Planning advice was provided on the 135 Darlot St development.
- Reviewed the ATU reports for the Yugunga-Nya People's Trust in Oliver Street Meekatharra.
- Query from Community Development Officer regarding any Health requirements for the Meekatharra Outback Festival – ongoing.
- Provided advice to the Shire regarding development of a mobile drilling camp at Peak Hill proposed by Westgold.
- Provided advice to Meeka Metals regarding submission of an application to install a wastewater disposal system. An application to install a wastewater disposal system for a mining accommodation camp has been received.
- Responded to query of potential wastewater overflow on corner of Railway Street and Connaughton Street Meekatharra. With onsite assistance from a local plumber it was believed that the water overflow was excess stormwater from rain the night before.
- Provided Health advice and referred Yulella Aboriginal Corporation for town planning advice regarding the operation of a food van in Meekatharra townsite.
- Received notification from Department of Health regarding a case of Ross River Virus with a potential exposure site at Capricorn Roadhouse.
- Provided advice to Shire regarding food business fees regarding change of catering company at some mine sites.
- Provided advice to new catering company at same mine sites referred above.
- Royal Flying Doctor Service (RFDS) made contact with EHO regarding water quality at RFDS base at Meekatharra Airport. Ongoing.
- Provided advice to Meeka Metals regarding registration of a food business at temporary camp kitchen and the permanent village.
- Provided advice to Shire on query regarding LGIS/RSLWA Pool Safety Assessment for 2024/25.

Ongoing matters –

- Kumarina station – conduct site inspection at next visit regarding camping.
- Waiting on contaminated site reclassification from DWER for former Meekatharra Power Station.
